

Congratulations

A star in the heavens has been named for you!

The certificate enclosed indicates the new name of the star and its telescopic coordinates.

The constellation chart will help you in locating the area of the star and shows your star circled in red.

The new star name and telescopic coordinates will be catalogued in the astronomical compendium

Your Place in the Cosmos

which is recorded in the copyright office of the United States of America.

Happy Star Gazing!

International Star Registry
